

ISyntaxProvider

```
graph BT; A["CeLishp.Parser.Implementation.  
SimpleLispSyntax"] --> B["ISyntaxProvider"]
```

A UML class diagram showing an inheritance relationship. A light gray box at the bottom represents the class 'CeLishp.Parser.Implementation.SimpleLispSyntax'. A blue arrow points upwards from this box to a white box at the top labeled 'ISyntaxProvider', indicating that 'SimpleLispSyntax' inherits from 'ISyntaxProvider'.

CeLishp.Parser.Implementation.
SimpleLispSyntax
